

## VISION OF THE ENVIRONMENTAL COMMISSION OF TRINIDAD AND TOBAGO

The Environmental Commission, a superior court of record, will be known to all as a court characterised by excellence, which strives to attain justice for all through the rule of law. The Court will be easily accessible, using effective case management methodology, and information technology. The Court will be recognised as a leader in achieving sustainable development through its decisions.

This Vision Statement is premised on the following principles:

- Provide equal access to a fair and effective system of justice to all members of society.
- Offer Alternative Dispute Resolution processes while preserving the right of parties to a hearing.
- Provide quality service that continuously improves, that meets and exceeds public expectations, and ensures that all persons are treated with courtesy, respect and dignity.
- Maintain the independence of the Court while strengthening relations with the public, bar, the Legislature and the Executive.
- Enhance the potential of every Member and employee to contribute to the administration of justice through participation, training and technology.
- Earn the respect and confidence of an informed public.
